International real estate network [PROPERTY4EAST.com](#) reveals three new collaborations with jet set allure. Once more, the company astounds real estate agents and property dealers around the world with its ability to build bridges between Western real estate providers and investors from the East.

(Vocus) October 29, 2010 -- Russia gets its place in the sun.

In order to maintain its stronghold in the Russian investors market, [PROPERTY4EAST.com](#) added the Four Seasons Private Residences on Bora Bora to its already impressive property portfolio. From now on, Russian business men with a liking for sun-drenched beaches can more than ever rely on [PROPERTY4EAST.com](#) to find their piece of heaven on earth.

The fourteen sophisticated private residencies are secluded by a natural lagoon and offer a holiday experience that can be compared by none. Apart from its breathtaking surroundings and unique level of comfort, the Four Seasons Private Residences offer leisure activities that one will never find elsewhere, such as swimming with giant turtles. Or as Alexandra Levkov, spokeswoman for [PROPERTY4EAST.com](#), puts it: 'Beautiful properties can be found everywhere, but they seldom come with such opportunities'.

### Canada: new trend in winter holidays

[PROPERTY4EAST.com](#) is also proud of its reputation as a trendsetter. Therefore, it established a brand new business deal with the Canadian real-estate network The Whistler Estates. This network offers high-class winter residencies in the magnificent ski area of Whistler where the Winter Olympics of 2010 took place.

'We noticed that our clients from Eastern-Europe were looking for a new, more exclusive place to spend their winter holidays,' says Alexandra Levkov. 'So, we sought a partner to offer our clients such new holiday resort, and the experience and personal approach of The Whistler Estates matched our demands perfectly.'

### Benefits of Luxembourg

In its home country Luxembourg, [PROPERTY4EAST.com](#) joined forces with Libra Partners. 'Innovating companies such as Google, eBay and Apple's iTunes department have already relocated their activities to Luxembourg. The benefits of this country attract more and more international businesses. In order to meet the growing demand, Libra Partners sought a successful partner to promote its unique real estate on a more global level', declares spokeswoman Alexandra Levkov.

Among the properties that Libra Partners will promote via [PROPERTY4EAST.com](#), one immediately catches the eye: this top-range property can be considered as the crown jewel of Luxembourg real estate. It is situated on the well-know Boulevard Royal in the Luxembourg capital, a street that is often compared to Paris' famous Champs-Élysées.

[PROPERTY4EAST.com](#) is a neutral online platform advertising unique high-level real estate for rent or

sale. Its main target audience is wealthy investors, bankers, investment advisors, asset managers and brokers from Russia, Eastern Europe and the Middle East. In order to reach this specific audience, PROPERTY4EAST.com uses all qualitative online communication channels: the website [www.property4east.com](http://www.property4east.com), regular direct e-mailings to a selected database, innovative online applications and specialized advertisements on themoscowtimes.com, pravda.ru, gulfnews.com and forbesrussia.ru. PROPERTY4EAST.com is located in Luxemburg.
