MOSCOW, July 18, 2011 /PRNewswire/ --

In the coming weeks, Marcie Hartley will have access to several of the most beautiful and exclusive properties throughout Beverly Hills and Bel Air, which will be available through PROPERTY4EAST.com. These will include the famous "Legendary Beverly House" villa in Beverly Hills where scenes of The Godfather and The Bodyguard were filmed, the Elizabeth Taylor estate in Bel Air and Michael Jackson's last residence in Holmby Hills.

"Marcie Hartley is a top producing agent of high-end luxury real estate in the Westside of Los Angeles. She specializes in the areas of Beverly Hills, Bel Air, West Hollywood, Hollywood Hills, Westwood, Brentwood, Pacific Palisades, Santa Monica and Malibu. Marcie Hartley has been a consistent producer for Hilton & Hyland, the preeminent residential real estate broker in the exclusive LA luxury market, for almost ten years. In 2010, when Hilton & Hyland surpassed \$1.2 billion in sales, she was one of the top ten agents at the company", explains Alexandra Levkov, head of the press service at PROPERTY4EAST.com.

Villa Lauriston

Through PROPERTY4EAST.com, Marcie Hartley is also offering Villa Lauriston, one of Silicon Valley's legendary jewels and one of the nation's finest private residences. Built by Herbert Law (former owner of the world famous Fairmont hotel in San Francisco) in 1920, this Italian-style villa of 115,200 m<sup>2</sup> features eight bedrooms, eight bathrooms and is surrounded by two swimming pools, a tennis court and its own vineyard. Villa Lauriston is offered by Marcie Hartley at Hilton & Hyland, in affiliation with Christie's International Real Estate and the Sereno Group in Palo Alto. This very exclusive team was put together by the Private Desk at PROPERTY4EAST.com.

Top quality real estate

Alexandra Levkov confirms that PROPERTY4EAST.com continues to guarantee top quality real estate for her wealthy visitors. Contrary to other websites, PROPERTY4EAST.com does not accept real estate with a value of under € 2.5 million. Only 10% of the real estate that is offered on PROPERTY4EAST.com has a value between € 2.5 million and € 5 million. In the US, 90% of all the real estate that is offered has a value of over € 10 million.

Agents and brokers that are interested in advertising high-end real estate can ask for more information via [board@property4east.com](mailto:board@property4east.com). Layout and translations into Russian and Arabic are provided by PROPERTY4EAST.com.
